

# RICHIE HALEY

DJ | PRODUCER | CROWD CONTROLLER

**Richie Haley** is without a doubt one of the most promising upcoming talents of Europe's new DJ/Producers generation.

At the age of 12, he won just like **Martin Garrix** the national DJ/producers contest.

The contest jury composed out of Tomorrowland dj's and music industry professionals agreed; **Richie Haley is the one to watch !**

When it comes to music, Richie likes to stay away from the obvious tracks. No jumble of party classics for Richie, but his own music choice, brilliant loops and a constructive line is his style.

Richie's technical precision, live remixes and a perfect sense of crowd control are the elements of his electronic cocktail for connoisseurs.

Given his young age, now in **2019** Richie is 15, he spends all of his time in the studio creating tracks and preparing his DJ/producer career.

Hosting his radio show **Master Tracks** amongst other leading DJ's like **Armin Van Buuren, Steve Aoki, Dimitri Vegas & Like Mike, EDX, Adam Beyer** and many more shows that **Richie is a promising upcoming talent!**
